

# INTEGRITY CHECK

The special kind of process test which God uses to evaluate heart intent, consistency between inner convictions and outward actions, and which God uses as a foundation from which to expand the disciple's capacity to influence.

## DIFFERENT TYPES

**TEMPTATION**

**RESTITUTION**

**VALUE CHECKS**

**LOYALTY**

**GUIDANCE**

**CONFLICT AGAINST  
MINISTRY VISION**

**LEADERSHIP BACKLASH**

**PERSECUTION**

## USES AND BENEFITS

To see whether or not we will follow through on a promise or a vow that we made to God

To create or insure a sense of burden for a ministry vision or the ministry itself

To promote inner character growth and strength of character

To build our faith in God

To help establish inner values and convictions that will be important to our future leadership

To teach us submission

To warn others of the seriousness of following God
